☐ Beginner & Intermediate Zone

For those who alpine ski or snowboard conservatively at slower speeds, on green and easy blue slopes. Instructors will help the students concentrate on developing speed control and explore tactics for skiing and riding on steeper slopes. Nordic skiers at this level ski comfortably on flats, but not on hills.

☐ Intermediate & Advanced Zone

At a minimum, participants must be able to ski or snowboard comfortably on blue terrain at moderate speeds and can turn both directions. Students must be moderate skiers, able to maneuver up and down hills while staying in control. Intermediate and advanced classes will cover various topics depending on ability level. Equipment Lease and Liability Release Agreement

I understand that the ski/boot/binding system cannot guarantee the user's safety. In downhill skiing, the binding system will not release at all times or under all circumstances where release may prevent injury or death, nor is it possible to predict every situation in which it will release. In snowboarding, cross-country skiing, and Snowblade use, the binding system will NOT ordinarily release during use; these bindings are not designed to release as a result of forces generated during ordinary operation.

I understand and agree, if a helmet is rented, that a helmet IS IN NO WAY A GUARANTEE OF SAFETY and that no helmet can protect the wearer against all foreseeable impacts to the head or body, and that the sports of skiing, snowboarding, Snowblade, and other recreational activities can expose the user to forces that exceed the limits of protection provided by the helmet. I also understand that the helmet cannot guard against injury to the neck, spine or any other part of my body, and that these limitations are INHERENT RISKS of any activity in which a helmet may be used.

I understand that the sports of skiing, snowboarding, Snowblade, and other recreational activities involve inherent and other risks of INJURY and DEATH. I voluntarily agree to expressly assume all risks of injury or death that may result from skiing, snowboarding, and Snowblade use, or which relate in any way to the use of this equipment.

I AGREE TO RELEASE the ski/snowboard shop, its employees, owners, affiliates, agents, officers, directors and the manufacturers and distributors of this equipment (collectively "PROVIDERS"), from all liability for injury, death, property loss and damage which results from the equipment user's participation in the sport of skiing/snowboarding/Snowblade use, or is in any way related to the use of this equipment, including all liability which results from the NEGLIGENCE of PROVIDERS, or any other person or cause.

I further agree to defend and indemnify PROVIDERS for any loss or damage, including any that results from claims or lawsuits for personal injury, death, and property loss and damage related in any way to the use of this equipment.

This agreement is governed by the applicable law of the State of Idaho. If any provision of this agreement is determined to be unenforceable, all other provisions shall be given full force and effect.

THIS DOCUMENT IS A LEGALLY BINDING CONTRACT which supersedes any other agreements or representations by or between the parties. It shall be interpreted to provide as broad and inclusive a release of liability as is legally possible, but is not intended to assert any claims or defenses which are prohibited by law. If any part of this agreement is deemed void or unenforceable, the remainder shall be given full force and effect. The specific rights of the parties under this contract may vary from state to state.

I THE UNDERSIGNED, HAVE READ AND UNDERSTAND THIS LIABILITY RELEASE AGREEMENT.
